I am writing on behalf of my father who is currently involved with an asbestos litigation.

I am simply appalled to find out that our judges on the Michigan Supreme court feel that they are "above the law" and able to change it. Least you be reminded , sirs, that it is your duty to up-hold and interpret the law , not make changes, especially when it means being more sympathetic to BIG BUSINESS than the little guy.

If big business made a decision that was harmful to their employees , should they not have to pay ? We all deserve the right to trust our employers to provide a safe workplace environment.

PLEASE DO THE RIGHT THING FOR THE PEOPLE OF THE STATE OF MICHIGAN!
